**TV Ministry's Best Efforts Challenge Winter's Worst!**

***Grateful Viewers Make Christmas Special For Our TV Volunteers***

The many expression of appreciation sent to us by numerous grateful viewers of our TV Mass during the Christmas season represented a special gift to all of us!

The severe weather conditions that prevailed during much of December and January prevented many elderly and health challenged persons from coming to Mass in person. (See the lead story on this page).

As a result, many first-time viewers tuned in to our telecast, joining the thousands who watch every Sunday. The new viewers quickly discovered what our regular audience already knew: the importance of what we have been doing for three decades in bringing Mass to the masses!

We received many calls, letters, and e-mails from far and wide from those who joined us for the Sunday TV Masses as well as the special telecast on Christmas Day with Bishop Mark Bartchak.

All of us at *Proclaim!* TV are most grateful for the honor of bringing the TV Mass into so many areas; know that we deeply appreciate your appreciation!

The severe weather conditions we faced in December and January presented a challenge to all of us in the TV Ministry, but we are happy to state that our best efforts conquered winter's worst!

In spite of sub-zero temperatures at times, combined with strong winds, ice, snow and sleet, treacherous road conditions, poor visibility and slippery sidewalks, our dedicated crew of volunteers was able to produce our live TV Mass and successfully send our broadcast signal to WATM-TV and Cornerstone TV.

The efforts of our TV crew volunteers were greatly appreciated by the thousands who watched our telecast, including many who feared entering into a hazardous environment created by Winter's worst (see the adjacent column).

It is always a source of great satisfaction to our volunteer crew to know that their efforts are a source of great gratitude on the part of those who were able to view the Cathedral Mass in their own homes during a time of some of the worst weather conditions of the season.

Our full-hour live telecast of the Mass from Saint John Gualbert Cathedral in Johnstown is of great benefit to so many viewers who have a strong appreciation for our efforts.

As we enter into our 30th year of service to God and His people we are thankful for the dedication of our TV volunteers and the many viewers who support us through the Minute-a-Month Ministry initiative.

We thank God for giving us the resources required to continue to bring Mass to the masses and the means to challenge Winter's worst!

## ***Our TV Ministry: Still Bringing Mass to The Masses!***

What began nearly thirty years ago as a modest two-camera operation on a local cable TV system has evolved into one of the top telecasts of a live Mass in the nation.

It was on Sunday, September 11, 1988, that our hour-long live telecast aired for the first time on Johnstown local cable access channel 9 iserving subscribers in Greater Johnstown,

Reaction from first-time viewers was immediate and positive. For the first time shut-ins and other homebound viewers were able to watch a live Mass telecast in the security of their homes.

The TV Ministry received a major boost when the late **Deacon John E. Sroka** arranged for a grant from the Society of Saint Vincent de Paul, enabling the ministry to purchase equipment of its own.

On Sunday, December 2, 2001, the telecast of the Mass moved to WWCP-TV FOX 8 in Johnstown, greatly expanding its viewership. For the following 14 years Channel 8 would be our primary station.

A decision by the FOX Network requiring all of its affiliates to air network programming on Sunday mornings resulted in the Mass telecast being moved to Channel 8's sister station, WATM-TV Channel 23 on September 13, 2015, where it continues to air live from 11 am until noon every Sunday.

Another dimension was added to the mix when Cornerstone TV invited us to air the Mass on its Faith and Family Channel out of Wall, PA.

Another option available to our viewers is the availability of the Mass on social media. The most recent Mass telecasts may be viewed on the Internet by logging onto the Saint John Gualbert Cathedral website, where the Mass may be viewed at anytime.

We have made much progress over the years, including the purchase of professional broadcast cameras, broadcast lighting, a state-of-the art control room, and a modern satellite uplink transmission system.

All of this is made possible through the generosity of our Minute-a-Month Ministry donors, memorial gifts in honor of departed loved ones, and our volunteers. Our mission remains unchanged: ***Bringing Mass to The Masses!***
